**Affidavit of Fact**

**9-7-2020**

**Comes now Jason Westley Hall, Trustee (hereinafter “affiant”) being competent to testify and being over the age of twenty-one years, after first being duly sworn according to the law to tell the truth to the facts related herein states that affiant has first- hand knowledge and belief that these facts are true to the best of affiant’s knowledge and belief, and;**

**On the one hundred and seventy first day of the year of Yahweh sixty twenty-two, translated date is September 5<sup>th</sup>, 2020. At 9:45 am pacific time affiant was parked getting gas at the Chevron Station located at 7007 San Ramon Valley Blvd. Dublin, California 94568. Affiant noticed a car parked in the spot behind where affiant was getting gas as if the was waiting for affiant to leave.**

**Affiant noticed the same car following and signaled affiant to pull affiant over. W. Watson (hereinafter “respondent 1”) approached the right side of affiant’s automobile. Respondent 1 asked for license, registration, and insurance. Affiant handed driver’s license and Union card for two forms of I.D. as asked. Affiant gave respondent 1 the two I.D.’s.**

**Respondent 1 asked, “do you have a state of California driver’s license?”. Affiant stated, “no”**

**A second person approached, who was identified as Daniel Glaspy (hereinafter “respondent 2”)**

**Affiant overheard**

**respondent 2 mention “sovereign citizen”. After affiant heard that, respondent 1 then proceeded to walk towards the affiant’s left and with hostility began to pull affiant from the automobile and informed affiant that he was being detained, and then handcuffed. Respondent 1 led affiant to the side of affiant’s truck to go over paperwork from the DMV of California concerning the truck’s registration status. The paperwork indicated all that is needed is a “smog” for the automobile. After going over paperwork respondent 1 stated that affiant was under arrest for driving without a state of California driver’s license. Affiant was then placed in the car of respondent 1 and called it an on-site arrest. While affiant was in the car respondent 1 was writing a ticket, respondent 2, asked affiant to “educate him in law”. Affiant began to tell respondent 2 “you have no social compact for an on-site arrest of a crime that has not been committed”. Respondent 2 asked affiant “have you been to a restaurant with four or more people”? Affiant said, “continue please”. Respondent 2 began to explain “did you all order the same meals”? Affiant said, “of course not, we did not order the same meals”. Respondent 2 then said, “why do we all need to follow the same laws”? Affiant did not answer question for the sheer stupidity of the question. After the questioning of law, Respondent 1 finished writing his ticket to affiant and threatened that if affiant did not sign the ticket the affiant would go to jail. Affiant asked, “why would you assume affiant would not sign the ticket”. Respondent 1 opened the door to his squad car to let the affiant out to sign the ticket, but before signing the ticket still in handcuffs proceeded to search affiant without affiant’s permission to do so. Respondent 2 questioned why Respondent 1 was searching the affiant without asking permission. Respondent 1 stopped the search midway through after being told this was a misdemeanor stop, not a felony drug stop.**

**After the affiant was uncuffed, affiant signed traffic ticket as Trustee. Respondent 2 asked if there was anyone that could come pick the truck up. Respondent 2 asked if affiant could drive the automobile into a parking lot near the UPS store located at 7172 Regional Street, Dublin, California 94568 for the affiant’s daughter to pick up. While waiting for daughter to arrive respondent 1**

drove up and tried to hand affiant a card. Affiant grabbed the card, looked at it, and affiant said to respondent 1 “there is a different name on the card it is not mine”, and handed it back to respondent 1.
